INDEPENDENT AUDITOR'S REPORT

Board of Directors
Louisiana Endowment for the Humanities
and Prime Time Family Reading

We have audited the accompanying combined statement of financial position of the Louisiana Endowment for the Humanities and Prime Time Family Reading (non-profit corporations) as of October 31, 2012, and the related combined statements of activities, and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized information has been derived from the Corporation's 2011 financial statements and, in our report dated January 26, 2012, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Louisiana Endowment for the Humanities and Prime Time Family Reading as of October 31, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated January 24, 2013, on our consideration of the Louisiana Endowment for the Humanities and Prime Time Family Reading's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the combined financial statements taken as a whole. The supplemental schedules listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the combined financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combined financial statements. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combined financial statements as a whole.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

1. Nature of Activities

The Louisiana Endowment for the Humanities is a non-profit corporation organized for the purpose of maintaining a state-based program in the humanities in the State of Louisiana on behalf of its citizens in accordance with the regulations and guidelines established by the Congress of the United States and the National Endowment for the Humanities.

Prime Time Family Reading is a non-profit corporation organized for the purpose of establishing and maintaining a family literacy and reading program in the humanities called Prime Time in the State of Louisiana and in other states of the United States.

The combined financial statements include the accounts of Louisiana Endowment For The Humanities and Prime Time Family Reading. They are affiliated by virtue of common control. All significant intercompany transactions have been eliminated in combination.

2. Presentation of Financial Statements

The financial statements are presented in accordance with requirements established by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) as set forth in FASB ASC 958, Presentation of Financial Statements. Accordingly, the net assets of the corporations are classified to present the following classes: (a) unrestricted net assets, (b) temporarily restricted net assets, and (c) permanently restricted net assets.

The net assets and changes therein are classified as follows:

Unrestricted Net Assets – Contributions and other revenue and expenses for the general operation of its programs.

Temporarily Restricted Net Assets – Contributions and other revenues specifically authorized by the donor or grantor to be used for specific purposes.

Permanently Restricted Net Assets – Contributions subject to donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled and removed by actions of the Corporation pursuant to those stipulations.

AND

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

3. Revenue Recognition

For financial reporting, the corporations recognize all contributed support as income in the period received. Contributed support is reported as unrestricted or restricted depending on the existence of donor stipulations that limit the use of the support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activity as “net assets released from restrictions.”

Grant revenue is recognized as it is earned in accordance with approved contracts.

4. Investments

Investments are presented in accordance with requirements established by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) as set forth in the FASB ASC 958-320, Investments-Debt and Equity Securities. Under FASB ASC 958-320 investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

5. Receivables

The corporations consider accounts receivable to be fully collectible since the balance consists principally of payments due under governmental contracts. If amounts due become uncollectible, they will be charged to operations when that determination is made.

6. Property, Building and Equipment

Louisiana Endowment For The Humanities and Prime Time Family Reading records property acquisitions at cost. Donated assets are recorded at estimated value at date of donation.

Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives, principally on the straight-line method. Depreciation expense for the year ended October 31, 2012 totaled \$98,025.

It is the policy of the corporations to capitalize all property, furniture, and equipment with an acquisition cost in excess of \$5,000.

AND
PRIME TIME FAMILY READING**

NOTES TO COMBINED FINANCIAL STATEMENTS - CONTINUED

October 31, 2012

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

7. Collections – Art

The art collection consists primarily of John T. Scott's art work. The corporations do not record depreciation on its collections because depreciation is not presently required to be recognized on individual works of art whose economic benefit or service potential is used so slowly that their estimated useful lines are extraordinarily long.

8. Cash Equivalents

For purposes of the statement of cash flows, the Louisiana Endowment for the Humanities and Prime Time Family Reading consider all investments with original maturities of three months or less to be cash equivalents.

9. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from these estimates.

10. Fair Values of Financial Investments

Cash, cash equivalents, and temporary investments carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those investments. The fair values of marketable securities are based on quoted market prices for those or similar investments.

11. Subsequent Events

The subsequent events of the organization were evaluated through the date the financial statements were available to be issued (January 24, 2013).

12. Functional Allocation of Expenses

The expenses of providing programs and other activities have been summarized on a functional basis in Note K to the financial statements. Certain of those expenses have been allocated among the program and supporting services benefited based on estimates by management of the costs involved.

NOTE M – ECONOMIC DEPENDENCY

The corporations receive the majority of its revenue from funds provided through grants administered by the National Endowment for the Humanities and the State of Louisiana. The grant amounts are appropriated each year by the federal government and the State of Louisiana. If significant budget cuts are made at the federal or state level, the amount of the funds the corporation receives could be reduced significantly and have an adverse impact on its operation. At the time of completion of the examination of the corporation's financial statements, management was not aware of any actions taken that would adversely affect the amount of funds the corporation will receive in the next fiscal year.

The corporations' are supported primarily through grants from the National Endowment for the Humanities and the State of Louisiana, Department of Higher Education. Approximately 21% of the support was received from the National Endowment for the Humanities and 11% from the State of Louisiana during the year ended October 31, 2012.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor's Report

Board of Directors
Louisiana Endowment for the Humanities

We have audited the financial statements of the Louisiana Endowment for the Humanities (non-profit corporations) as of and for the year ended October 31, 2012, and have issued our report thereon dated January 24, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Louisiana Endowment for the Humanities' internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing an opinion on the effectiveness of the Louisiana Endowment for Humanities' internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Louisiana Endowment for the Humanities' internal control over financial reporting.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Louisiana Endowment for the Humanities' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of the audit committee, management, Louisiana Legislative Auditor, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Independent Auditor's Report

Board of Directors
Louisiana Endowment for the Humanities

Compliance

We have audited the Louisiana Endowment for the Humanities' (a non-profit corporation) compliance with the types of compliance requirements described in the "OMB Circular A-133 Compliance Supplement" that could have a direct and material effect on each of Louisiana Endowment for the Humanities' major federal programs for the year ended October 31, 2012. The Louisiana Endowment for the Humanities' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Louisiana Endowment for the Humanities' management. Our responsibility is to express an opinion on the Louisiana Endowment for the Humanities' compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, "Audits of the States, Local Governments, and Non-Profit Organizations." Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Louisiana Endowment for the Humanities' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Louisiana Endowment for the Humanities' compliance with those requirements.

In our opinion, the Louisiana Endowment for the Humanities complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended October 31, 2012.

Internal Control Over Compliance

The management of the Louisiana Endowment for the Humanities is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Louisiana Endowment for the Humanities' internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, and to test and report on internal

control over compliance in accordance with OMB Circular A-133, but not for the purpose of the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Louisiana Endowment for the Humanities' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be *material weaknesses*, as defined above.

This report is intended solely for the information and use of the audit committee, management, Louisiana Legislative Auditor, Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
